

ELASCO DROPOVERS COLLECTION

EXTREME CABLE PROTECTION

**High Durability Drop Overs to cover
cables, hoses & pipe and ensure a safe working environment.**

Elasco's DropOvers are available in six different sizes including the largest Drop Over in the industry.

These products offer a quick and easy solution to cover and protect your wires, hoses and pipes.

Available in red, yellow or black these products offer an alternative to a cable protector.

Our DropOvers come with a single channel but can accommodate a multitude of products.

Now also available with glow in the dark capabilities.
