SAFETY LITES

## EMERGENCY LIGHTING ON-THE-GO

### F263 PORTABLE SIGNAL LITES

Foxfire F263 Signal Lites bring hi-powered emergency lighting to any situation. Deliver greater visibility and awareness to small vehicles that are typically not well lit. Forklifts, Bobcats, Scissor Lifts, Skid Steers, Postal Service Trucks, Farm Equipment, Golf Carts, and Bicycles are just a few of the vehicles that can greatly benefit from Foxfire Signal Lites. Bring awareness to areas in manufacturing plants and warehouses that need attention.
