Please join Traffic Safety Warehouse at the Midwest Security & Police Conference/Expo, August 13 - 14, 2019 in Tinley Park.

The Midwest Security & Police Conference/Expo is the only trade show in the Midwest showcasing the latest products and services for security and law enforcement professionals.

Now approaching its 19th anniversary, MSPCE brings together an exciting 2-day marketplace featuring state-of-the-art security and law enforcement products, technologies, and services.

The education and training program will draw from the expertise of local, state and national agencies, along with other experts in security and law enforcement to create a robust and compelling conference agenda.

Registration is offered free to public and private law enforcement, public safety officials, and private security professionals. This includes The MSPCE conference program, along with admission to the Expo Hall. Registration is opening soon, keep checking back.
